

# Guarantee

**TEN YEAR TRANSDUCER / TWO YEAR GENERATOR  
ONE YEAR EQUIPMENT**  
(includes both parts and labor)

*Crest "VIBRA-BAR" transducer modules, each consisting of a metal/PZT/bar assembly and its bond to the radiating surface are unconditionally guaranteed not to crack, depolarize, deteriorate or become detached from the radiating surface for ten years from initial shipment date.*

*The radiating surface of the transducer is constructed of high quality stainless steel, but wear can result from cavitation erosion or chemical attack. This wear is excluded from the terms of this guarantee.*

*The Crest Genesis Series G™ Ultrasonic Generator is guaranteed to be free from defects in workmanship and materials for a period of two years from initial shipment date. The remainder of Crest cleaning equipment is guaranteed for one year.*

*These guarantees are not applicable to equipment showing abuse, or when equipment has been used other than in accordance with the Manufacturer's instructions. Liability under this guarantee is limited to repair or replacement at Crest's expense, f.o.b. Crest service location, of any part that proves to be defective because of material or workmanship, provided same is returned prepaid to the service location. The nearest service location shall be designated by Crest upon request.*
